Welcome to the IV Sotavento Golf Trophy 2026!

3 of the best golf courses in the Eastern Algarve – Monte Rei, Quinta da Ria & Quinta do Vale – have come together to provide a unique tournament just before the start of the Christmas celebrations. As the 2026 golf season comes to an end we wish to thank you golfers for their support with a strong prize draw table including gift vouchers at Monte Rei lodging and at Octant Praia Verde hotel. Benefit from complimentary buggies on all 3 competition days.

Due to the success and strong participation in 2025 we have decided to divide the participant rounds between two golf courses each day. This approach allows us to accommodate a larger number of players while ensuring that the high level of service, pace of play, and overall experience on the golf course are maintained.
